Application No. 08/486,066
Filed: June 7, 1995
Attorney Docket No. ENZ-5 (D5) (C2)

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed November 20, 1998, to revive the above-identified application.

The petition is **Granted**.

This application became abandoned for failure to reply timely to the final Office Action mailed March 18, 1998, which set a period for reply of three months. In response to the final Office Action, an amendment and a request for a one month extension of time were filed on July 20, 1998, extending the time for response to July 18, 1998. Since the amendment did not prima facie place the application in a condition for allowance, this application became abandoned on July 21, 1998. The Notice of Abandonment was mailed on November 5, 1998.

The Terminal Disclaimer filed April 19, 1999 has been accepted. The period disclaimed is five months.

The submission under 37 CFR 1.129(a) has been accepted as the reply.

There is no indication that petitioner herein was ever empowered to prosecute the instant application. If Petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney documentation must be submitted. A courtesy copy of this decision will be mailed to petitioner. However, all future correspondence will be directed to the address of record until such time as appropriate instructions are received to the contrary.

The application is being returned to Technology Center Art Unit 1634 for treatment of the submission.

Telephone inquiries concerning this matter should be directed to Petitions Attorney Patricia FL Faison at (703) 305-4497.
